

# NELSON AT HOME ADVENTURES

## EASY BIRD FEEDERS

*Your family may find themselves becoming avid bird watchers once these great feeders are hanging in your yard.*

### Ingredients

1 oz Gelatine

3 cups of Birdseed

Boiling Water (Follow the directions on the Gelatine)

Cookie cutters to use as Molds

Yarn or string (for hanging loops)

1. In a mixing bowl, add 1 oz Gelatine and 1 cup of boiling water and stir until all of the Gelatine has dissolved.
2. Add birdseed.
3. Spoon the mixture into your molds.
4. Press string into mold and cover with more bird seed.
5. Put the molds into the fridge to set.
6. Once they are set hang in a tree and see what arrives!

*Have fun, stay safe!*
